

CRUDABENDITA

CRIANZA

90

James Suckling

Vntg 2022

GRAPE VARIETY

100% Tempranillo

VINEYARD

Age: +75 bush vines
Soil: Clayey-calcareous soils.
Altitude (m): 800-900

ANALYTICS

Alcohol Content: 15%

VINIFICATION

Grapes for Crudabendita were handpicked from clay-calcareous soils and kept under 50°F to enhance polyphenol and aroma extraction. Hand-selected grains were refined using an optical laser for perfect berry selection. During fermentation, lees contacted the skins and were gently removed with a patented batonnage system, ensuring no damage. The fermentation temperature never exceeded 80.6°F.

AGING

Aged 18 months in new 225L French and American oak barrels, followed by at least 12 months in bottle before release.

LOPEZ-ALONSO
ALTA VITICULTURA

Ribera del Duero DO
Burgos, SPAIN

TASTING NOTES

Ruby red with purple hues. Deep aromas of dairy, vanilla and leather blend with elegant oak notes. Smooth and opulent on the palate, with balanced acidity, firm tannins and hints of toast and dried fruits that evolve beautifully with bottle aging.

PAIRING

Perfect for game and red meats, roasted vegetables and meats, lamb chops, foie grass, mature cheese.
